

# Seniors' Knowledge of Medicare Part D Rx Options

2/3 are **CONCERNED** about their healthcare needs

#### Top concerns

- 35% Prescription medication costs
- 33% Caregiver/assisted living costs
- 32% Hospital/emergency room costs

1-in-5 don't have a good understanding of their Medicare Part D plan

One-third **INCORRECTLY BELIEVE** you cannot change pharmacies outside of open enrollment

1-in-5 falsely believes that all pharmacies charge the same co-pay

30% say co-pay costs are **MOST** important factor when choosing a pharmacy

seniors **DON'T** always follow doctors' orders or make other sacrifices to manage their prescription drug costs

- 12% Delayed filling a prescription
- 9% Have skipped prescription doses
