

Holiday Shopping Done Better

Holiday shopping can be stressful

According to a recent survey conducted by Walmart Family Mobile,

56%

of shoppers say that finding the right gifts causes them stress.

44%

of shoppers blame busy crowds and shopping malls as drivers of stress.

78%

of shoppers admitted to visiting up to 6 physical stores before completing their holiday shopping.

over half

of shoppers think they spend too much time running around during the holidays to complete their shopping.

Don't stress!

Completing your shopping at a one-stop-shop can save you valuable time this holiday season.

93%

of shoppers

would choose to shop at one specific store if they knew they could get everything they needed for the holidays.

Shoppers would use time saved to:

Spend quality time with family and friends

65%

Pamper themselves with a spa treatment

24%

Sit back and relax with a cup of hot cocoa

49%
